FEED MY PEOPLE NEW FOOD PANTRY HOURS ANNOUNCED

Feed My People is committed to serving people who need help. With the pandemic, many people, who never used a food pantry before, may now find themselves out of work, or earning a reduced income, and having to choose between paying a utility bill and having food on the table. Feed My People can help!

People are asked to call for an appointment before coming to the pantry. Appointment lines open at 8:30am. Emergency requests for food assistance are also by appointment. "We are extremely blessed to have the support of so many churches, organizations, and individuals who help us keep our pantry stocked so that we can provide food for those in need," says Executive Director, Karen Lanter.

Special care has been taken to keep everyone we help, volunteers and staff safe by following local government and CDC guidelines including; limited physical contact, required social distancing, carts sanitized after each use, and volunteers and staff wear masks. Protecting our patrons and front-line volunteers and staff while seeing that our neighbors do not go hungry, is foremost in our daily operations.
