## Because of You...

South  
County

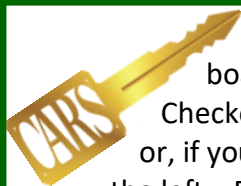

**Front-line Volunteers and Staff** continue to provide food and hope for our clients during the novel coronavirus pandemic, including 5% more emergency food requests over what we usually see. With the tireless help from no more than 10 volunteers and staff at a time, food is received, sorted, bagged and readied for curbside pickup.

[The St. Louis Business Journal](#) highlighted **Feed My People** in a feature article about nonprofit organizations securing forgivable loans through the federal government's Paycheck Protection Program. With both the thrift stores closed and the cancellation of fundraising events, Executive Director, Karen Lanter, took necessary steps to ensure that staff would not be furloughed or laid off. With the help of SBA lender, **Midwest BankCentre**, the loan for \$169,700 was approved within about 24 hours. To read the full article, click on the link in blue or search online for the April 15 edition. “The PPP fits us perfectly for what we needed to do, what we needed to accomplish,” Lanter said. “We're very fortunate to have it.”

**Feed My People** is now accepting donations of cars, trucks, boats, motorcycles, and RVs through a program with **CARS**. Checkout our website, [www.feed-my-people.org](http://www.feed-my-people.org) for more information, or, if you are receiving our newsletter by email, click on the CARS key to the left. Donating is easy and will significantly benefit Feed My People.
